

**International Baccalaureate**

This information sheet is intended to help admitted students to the University of Toronto Mississauga understand how we recognize the International Baccalaureate program.

A list of possible transfer credits is given below. You can expect to receive credit for your Higher Levels provided that you achieve a grade of 5, 6 or 7 in each subject. If you wish to decline or forfeit any of these credits, you must meet with an academic advisor in the Office of the Registrar at U of T Mississauga **no later than September 30, 2009**.

Any courses listed below as “Exclusions” are courses offered at the University of Toronto in which you may *not* enrol unless you choose to forfeit the transfer credit. In addition, you may not enrol in any courses listed in the U of T Mississauga Calendar as exclusions for these courses or the transfer credits.

**Legend:** The first three letters of the course code indicate, in an abbreviated form, the discipline, or subject area. The first number of the code indicates the year level of the course where 1 = first year, 2 = second year, etc. The next two numbers indicate the specific course and “\*\*\*” indicates that there is no exact equivalent at U of T for the course you have taken, so a generic credit is granted. Thus ENG 1\*\*Y represents a generic credit in English at the first year level.
