

Georgetown District High School Center Program

Our Mission

- To increase independence through real life opportunities at school.

How will we get there?

- By providing students with “real life” opportunities at school.
 - By setting clear and measurable goals on the IEP.
 - By working closely with Parents/Guardians.
 - By using Board approved curriculum and assessments.
 - By constantly evaluating the success of our program.

Our Staff

- A team of professionals trained in best practices for teaching students with Developmental Disabilities.
- The team consists of, Administration, Teachers, Educational Assistants, Physio-Therapists, Occupational Therapists, and Board Special Education Personnel.

Our Facility

- Fully accessible classrooms.
- Kitchen and laundry facilities.
- Accessible and interactive technology.
